

GOLDEN HEARTS PROGRAM APPLICATION FORM

Midwest Charity Begins at Home Inc GOLDEN HEARTS PROGRAM aims to enrich the lives of seniors by granting gifts to those in need. Sometimes people in our community don't have family nearby to support them – they could be in a nursing home or living at home alone and may be needing personal or household items that are out of their reach. Our gifts are capped at **\$200 per application, one application per year**. Once this application has been approved by our committee, we will arrange the purchase and delivery of the gift to the nominated recipient. Incomplete forms will not be considered for assistance but referred to the applicant for completion.
