

GOLDEN HEARTS PROGRAM INFORMATION SHEET

Midwest Charity Begins at Home Inc GOLDEN HEARTS PROGRAM aims to enrich the lives of seniors by granting gifts to those in need in our Midwest community.

Sometimes people in our community don't have family nearby to support them or their families may not have the means to offer that support. They could be in a nursing home or living at home alone and may be needing personal or household items that are out of their reach.

Our gifts provided are capped at **\$200 per application per year**. Once this application has been approved by our committee, we will arrange the purchase and delivery of the gift to the nominated recipient.

To be eligible for this gifting program, applicants need to be 65 years or older, a resident of the Midwest region, in need of financial assistance and have completed a Golden Hearts application form out in full.

All applications will be reviewed in a timely manner at the discretion of the Midwest Charity Begins at Home committee and must be returned to us at info@charitybeginsathome.org.au or PO Box 1683, Geraldton WA 6531. Applications can also be dropped into Mitchell and Brown Retravision, 180 Chapman Road, attention Midwest Charity Begins at Home on the envelope.
